STATINTL

Many thanks for your letter of 8 April. I am sorry that you were put to the extra trouble of filling out another set of our lengthy forms, since only recently the original set was located, but too late to avoid asking you for the duplicates which have also arrived.

I have no further vital information on the progress of your case, except to say that it is past the initial stages. Our Military Personnel Division will keep you abreast of developments as they occur, but I feel reasonably sure that your summer camp will not be interrupted.

Sincerely,

/s/
